The Shareholders' meeting, acting under the conditions of quorum and majority required for ordinary shareholders' meetings, after having deliberated and reviewed the Executive Board's report, authorizes the Executive Board, along with the power to sub-delegate, pursuant to the conditions set forth in Articles L. 225-209 of the French Commercial Code, to purchase Company's shares through the implementation of a share repurchase program.

The Shareholders' meeting decides that:

- the maximum purchase price (excluding expenses) per share is set at EUR20.00 and,
- the maximum amount of funds allocated to the implementation of this share repurchase program may not exceed EUR1,000,000.

In the event of a change in the nominal share value, a share capital increase by incorporation of reserves, an allocation of free shares to all shareholders, a split or reverse split of securities, a distribution of reserves or of any other assets, capital amortization or any other transaction affecting shareholders' equity, the Shareholders' meeting grants to the Executive Board, along with the power to sub-delegate, pursuant to the conditions set forth in Articles L.225-209 *et seq.* of the French Commercial Code, the powers to adjust the purchase price above in order to take into account the effect of those transactions on the value of the share.

The Shareholders' meeting decides that the Company may purchase a number of shares such that:

- the maximum number of shares that may be acquired pursuant to this authorization may not exceed 10% of the total number of shares comprising the Company's share capital and 5% of the total number of shares comprising the Company's share capital for the allocations made to retain shares and to subsequently use them as payment or in an exchange in the context of a merger, split or contribution transaction; it being specified that (i) these limits apply to an amount of the Company's share capital that will be adjusted, if necessary, to take into account those transactions that will affect the share capital subsequent to this Shareholders' meeting, and (ii) when the shares are bought back to promote liquidity the number of shares taken into account to calculate the above mentioned 10% limit corresponds to the number of shares purchased, minus the number of shares re-sold during the authorization period; and
- the allocations carried out by the Company must not result in the Company holding, at any moment whatsoever, directly or indirectly, more than 10% of its share capital.

This authorization is intended to allow the Company to pursue the following objectives, in compliance with applicable legislative and regulatory provisions:

- (i) to retain the Company's shares that will have been purchased and to use them in exchange or in payment within the context of potential external growth transactions, in accordance with stock market regulations;
- (ii) to deliver shares upon the exercise of rights attached to securities giving access to the share capital of the Company;
- (iii) to allocate shares to employees or corporate officers of the Company or its subsidiaries in accordance with the terms and conditions set forth by law, in particular with respect to the allocation of free shares, the participation in the profits resulting from the expansion of the business, stock option plans or through a company savings plan;
- (iv) to ensure liquidity and to promote the secondary market for the Company's securities;
- (v) to cancel all or part of the repurchased securities, provided the thirty-third resolution below is adopted; and
- (vi) to accomplish all other authorized goals or goals that could become authorized by law or recognized or that would be recognized as a market practice by the *Autorité des Marchés Financiers*, in which case the Company would inform its shareholders by way of a press release.

Purchase of Company's shares may be carried out at any time, except during period of public offering on the Company share capital.

The Shareholders' meeting decides that these purchase, sale, exchange or transfer transactions may be carried out in any manner, either on the regulated market, on a multilateral trading facility, through a systematic internalizer or through an over-the-counter transaction, such as an allocation or block trades, or by resorting to financial instruments, in particular financial derivatives negotiated on a regulated market, on a multilateral trading facility, through a systematic internalizer or through a private transaction or by resorting to warrants, in compliance with the conditions set forth by the legislative and regulatory provisions that are applicable on the date of the considered transactions and during the periods set by the Company's Executive Board or by the person to whom the Executive Board delegated its authority. The maximum portion of the share capital acquired or transferred in the form of blocks trades can be the total amount of the repurchase program.

Moreover, the Shareholders' meeting grants full powers to the Executive Board, along with the power to sub-delegate pursuant to the conditions set forth in Article L.225-209 of the French Commercial Code, to decide and implement this authorization, to specify, if necessary, its terms and, in particular, to place any on or off-market orders, to allocate or reallocate purchased shares to the various set objectives, in accordance with applicable laws and regulations, to enter into any agreements, particularly for the purpose of maintaining share purchase and sale registries, to complete any formalities or statements with any agencies, particularly the *Autorité des Marchés Financiers* and, generally speaking, to take any necessary action in order to complete the transactions carried out pursuant to this authorization.

The Shareholders' meeting also grants full powers to the Executive Board, if the law or the *Autorité des Marchés Financiers* were to extend or supplement to the authorized objectives for share repurchase programs, to inform the public of any changes to the repurchase program concerning the modified objectives, in accordance with applicable laws and regulations.

This authorization is granted for a period of eighteen (18) months from the date of this Shareholders' meeting. It voids, from this day, as the case may be, any unused part of any prior authorization having the same purpose, i.e., any authorization relating to the repurchase of its own shares by the Company. This authorization therefore voids the authorization granted by the Shareholders' meeting dated 22 May 2019 pursuant to its twenty-second resolution.

225-208 and L. 225-209 of the French Commercial Code;

5. Decides that the exercise price may only be modified during the term of the options to implement the measures necessary to protect the interests of the beneficiaries of the options pursuant to Article L. 225-181 of the French Commercial Code;

6. Acknowledges that the decision of the Shareholders' Meeting entails the waiver by the shareholders, in favor of the beneficiaries of the options, of their preferential subscription rights relating to the shares that will be issued as and when the share subscription options are exercised;

7. Decides to grant full powers to the Executive Board, with the option to sub-delegate under the conditions set forth by law, in particular to:

- determine the number of beneficiaries and the number of options granted to each of them;
- establish the conditions for the allocation of options;
- set, within the aforementioned limits, the exercise price of the options and the period during which the options may be exercised and decide on the conditions under which they will be adjusted, in the cases provided for by law;
- set the exercise conditions and, if applicable, the performance conditions to which the exercise of options allocated to certain executives of the Company's subsidiary Innate Pharma Inc. will be subject;
- impose, if applicable, a period during which the options may not be exercised and/or a period during which the shares acquired may not be sold;
- temporarily suspend the exercise of options in certain cases;
- take into account, in determining the characteristics of each plan, the legal constraints, in particular tax constraints, applicable depending on the jurisdiction in which the beneficiaries are located, in particular, with respect to the United States, Article 422 of the Federal Tax Code;
- at its sole initiative, charge the costs of the capital increase against the amount of the premiums relating to these issues and deduct from this amount the sums necessary to increase the legal reserve to one-tenth of the new capital after each increase; and
- record the capital increase(s) resulting from the exercise of the options, carry out all acts and formalities in order to finalize the capital increase(s) carried out under this authorization, amend the Articles of Association accordingly and, more generally, take all necessary decisions within the scope of this authorization, grant all delegations of authority and do all that is necessary.

8. Acknowledges that, in the event that the Executive Board uses the delegation of authority granted to it in this resolution, the Executive Board shall inform the shareholders' meeting each year, in accordance with law, of the operations carried out under this resolution.

Prior to using this delegation of authority, the Executive Board must submit the principle of its use to the Supervisory Board.

This authorization may be used within thirty-eight (38) months from the date of this Shareholders' meeting.

Resolution n° 20 – Authorization granted to the Executive Board to allocate existing or new free shares for the benefit of employed members of the Executive Committee, employed senior executives and/or corporate officers of the Company or its subsidiaries as part of their variable annual compensation

The Shareholders' meeting, acting under the conditions of quorum and majority required for Extraordinary Shareholders' meetings, after having reviewed the report of the Executive Board and the special report of the Statutory Auditors, pursuant to the provisions of Article L.225-197-1 *et seq.* of the French Commercial Code, authorizes the Executive Board to proceed with, for the benefit of employed members of the Executive

Committee, employed senior executives and/or corporate officers of the Company or its consolidated subsidiaries eligible under the above mentioned texts, a free allocation of 200,000 common shares, existing or to be issued, with a nominal value of EUR0.05 each (the “**Free Shares**”).

This authorization must be used within thirty-eight (38) months from the date of this Shareholders’ meeting.

(1) Capital increase

The allotment of the totality of the Free Shares, in the case of new shares, will result in a capital increase of EUR10,000 capital increase authorized by this Shareholders’ meeting, it being specified that this amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital.

The capital increase that will result from the creation of the Free Shares will be implemented by way of special incorporation of all or part of the reserve accounts available and, in particular, of the “premium account”. The Shareholders’ meeting acknowledges that this decision implies shareholders’ renunciation of their right, for the benefit of holders of Free Shares, to the said reserves.

(2) Vesting and retention periods

The Executive Board shall determine, for each allocation, (i) either a vesting period of one year after which the allocation of existing or new shares will become definitive, followed by a mandatory retention period of one year which runs from the definitive allocation of the Free Shares (ii) or a vesting period of two years. The definitive allocation of the Free Shares at the end of the vesting period must be subject to (i) the performance criteria that have been fixed by the Executive Board and to (ii) the condition of the beneficiary’s presence in the Company or its consolidated subsidiaries as an employee and/or an executive officer and/or a member of a governance or administration body (board of director or supervisory board or, as the case may be, their equivalent under foreign law), which will be observed on the same date as the performance criteria.

However, in the event of disability of the beneficiary corresponding to the classification in the second or third categories provided for in Article 341-4 of the French Social Security Code (or its equivalent in the applicable foreign law), the Free Shares will be definitively allocated before the end of the remaining vesting period, said shares being then freely transferable.

(3) Delegation of powers to the Executive Board

The Shareholders’ meeting grants full powers to the Executive Board, with the option to sub-delegate under the conditions set forth by law, to implement the allocation of Free Shares, including:

- to determine the eligibility of employed members of the Executive Committee, employed senior executives and/or corporate officers of the Company as referred to in the first paragraph, eligible for such allocation;
- to determine the performance conditions allowing the definitive allocation of the Free Shares, considering that the Free Shares being linked to the variable annual compensation of the beneficiaries, these performance conditions will be the same for the variable annual compensation and will be measured during the same period (and then, as the case may be, during a period different from the acquisition period);
- to determine the identity of the beneficiaries and the number of Free Shares granted to each of them;
- to establish the rules for the allocation plan of the Free Shares;
- to set, in accordance with the conditions and limits set forth by applicable legal provisions, the dates on which the Free Shares will be allocated;
- as required, to take all measures in order to preserve the rights of the holders of Free Shares pursuant to any legal or regulatory provision;

- to acknowledge the completion of the capital increase resulting from such allocation after the vesting period;
- to set the dividend entitlement date (*date de jouissance*), even retroactively, of the Free Shares to be issued; and
- take any action required by the implementation of this authorization, in accordance with the legislation currently in force.

Prior to using this delegation of authority, the Executive Board must submit the principle of its use to the Supervisory Board.

This authorization voids, from this day, the authorizations granted by the Shareholders' meeting held on 22 May 2019 pursuant to its twenty-fourth resolution.

Resolution n° 21 – Authorization granted to the Executive Board to allocate existing or new free shares on the basis of the performance criteria for the benefit of executive officers, employed members of the Executive Committee, employed senior executives and/or corporate officers of the Company or its subsidiaries

The Shareholders' meeting, acting under the conditions of quorum and majority required for Extraordinary Shareholders' meetings, after having deliberated and reviewed the report of the Executive Board and the special report of the Statutory Auditors, pursuant to the provisions of Article L.225-197-1 *et seq.* of the French Commercial Code, authorizes the Executive Board to proceed with, for the benefit of executive officers, employed members of the Executive Committee, employed senior executives and/or corporate officers of the Company or its consolidated subsidiaries eligible under the above mentioned texts, a free allocation of 770,000 common shares, existing or to be issued, with a nominal value of EUR0.05 each (the "**Performance Free Shares**").

This authorization must be used within thirty-eight (38) months from the date of this Shareholders' meeting.

(1) Capital increase

The allotment of the totality of the Performance Free Shares, in the case of new shares, will result in a capital increase of EUR38,500, capital increase authorized by this Shareholders' meeting, it being specified that this amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital.

The capital increase that will result from the creation of the Performance Free Shares will be implemented by way of special incorporation of all or part of the reserve accounts available and, in particular, of the "premium account". The Shareholders' meeting acknowledges that this decision implies shareholders' renunciation of their right, for the benefit of holders of the Performance Free Shares, to the said reserves.

(2) Vesting period

The Executive Board shall determine, for each allocation, a vesting period of at least three years after which the allocation of existing or new shares will become definitive. The definitive allocation of the Performance Free Shares at the end of the vesting period must be subject to (i) the performance criteria that have been fixed by the Executive Board and to (ii) the condition of the beneficiary's presence in the Company or its consolidated subsidiaries as an employee and/or an executive officer and/or a member of a governance or administration body (board of director or supervisory board or, as the case may be, their equivalent under foreign law).

However, in the event of disability of the beneficiary corresponding to the classification in the second or third categories provided for in Article 341-4 of the French Social Security Code (or its equivalent in the applicable foreign law), the Performance Free Shares will be definitively allocated before the end of the remaining vesting period, said shares being then freely transferable.

(3) Delegation of powers to the Executive Board

The Shareholders' meeting grants full powers to the Executive Board, with the option to sub-delegate under the conditions set forth by law, to implement the allocation of the Performance Free Shares, including:

- to determine the eligibility of executive officer, employed member of the Executive Committee, employed senior executives and/or corporate officer of the Company as referred to in the first paragraph, eligible for such allocation;
- to determine the performance criteria granting the definitive allocation of the Performance Free Shares;
- to determine the identity of the beneficiaries and the number of the Performance Free Shares granted to each of them;
- to establish the rules for the allocation plan of the Performance Free Shares including the performance criteria requested for the definitive allocation of the Performance Free Shares;
- to set, in accordance with the conditions and limits set forth by applicable legal provisions, the dates on which the Performance Free Shares will be allocated;
- as required, to take all measures in order to preserve the rights of the holders of the Performance Free Shares pursuant to any legal or regulatory provision;
- to acknowledge the completion of the capital increase resulting from such allocation after the vesting period;
- to set the dividend entitlement date (*date de jouissance*), even retroactively, of the Performance Free Shares to be issued; and
- take any action required by the implementation of this authorization, in accordance with the legislation currently in force.

Prior to using this delegation of authority, the Executive Board must submit the principle of its use to the Supervisory Board.

This authorization voids, from this day, the authorizations granted by the Shareholders' meeting held on 22 May 2019 pursuant to its twenty-fifth resolution.

Resolution n° 22 – Authorization granted to the Executive Board to allocate existing or new free shares on the basis of the performance criteria for the benefit of employees of the Company or its subsidiaries

This authorization shall be used within thirty-eight (38) months from the date of this Shareholders' meeting.

(1) Capital increase

The allotment of the totality of the Performance Free Shares, in the case of new shares, will result in a capital increase of EUR45,500, capital increase authorized by this Shareholders' meeting, it being specified that this amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital.

The capital increase that will result from the creation of the Performance Free Shares will be implemented by way of special incorporation of all or part of the reserve accounts available and, in particular, of the "premium account". The Shareholders' meeting acknowledges that this decision implies shareholders' renunciation of their right, for the benefit of holders of the Performance Free Shares, to the said reserves.

(2) Vesting period

The Executive Board shall determine, for each allocation, a vesting period of at least three years after which the allocation of existing or new shares will become definitive. The definitive allocation of the Performance Free Shares at the end of the vesting period must be subject to (i) the performance criteria that have been fixed by the Executive Board and to (ii) the condition of the beneficiary's presence in the Company or its consolidated subsidiaries as an employee and/or an executive officer and/or a member of a governance or administration body (board of director or supervisory board or, as the case may be, their equivalent under foreign law).

However, in the event of disability of the beneficiary corresponding to the classification in the second or third categories provided for in Article 341-4 of the French Social Security Code (or its equivalent in the applicable foreign law), the Performance Free Shares will be definitively allocated before the end of the remaining vesting period, said shares being then freely transferable.

(3) Delegation of powers to the Executive Board

The Shareholders' meeting grants full powers to the Executive Board, with the option to sub-delegate under the conditions set forth by law, to implement the allocation of the Performance Free Shares, including:

- to determine the eligibility of the employees of the Company or its subsidiaries as referred to in the first paragraph, eligible for such allocation;
- to determine the performance criteria granting the definitive allocation of the Performance Free Shares;
- to determine the identity of the beneficiaries and the number of Free Shares granted to each of them;
- to establish the rules for the allocation plan of the Performance Free Shares including the performance criteria requested for the definitive allocation of the Performance Free Share;
- to set, in accordance with the conditions and limits set forth by applicable legal provisions, the dates on which the Performance Free Shares will be allocated;
- as required, to take all measures in order to preserve the rights of the holders of the Performance Free Shares pursuant to any legal or regulatory provision;
- to acknowledge the completion of the capital increase resulting from such allocation after the vesting period;
- to set the dividend entitlement date (*date de jouissance*), even retroactively, of the Performance Free Shares to be issued; and
- take any action required by the implementation of this authorization, in accordance with the legislation currently in force.

Prior to using this delegation of authority, the Executive Board must submit the principle of its use to the Supervisory Board.

This authorization voids, from this day, the authorizations granted by the Shareholders' meeting held on 22 May 2019 pursuant to its twenty-sixth resolution.

Resolution n° 23 – Delegation of authority to the Executive Board for the purpose of issuing ordinary Company shares and/or of securities giving access to the share capital of the Company, with shareholders' preferential subscription rights

The Shareholders' meeting, acting under the conditions of quorum and majority required for Extraordinary Shareholders' meetings, after having deliberated and reviewed the report of the Executive Board and the special report of the Statutory Auditors, and pursuant to the provisions of articles L.225-129 to L.225-129-6 and L.228-91 *et seq.* of the French Commercial Code:

1. Delegates its authority to the Executive Board to decide with shareholders' preferential subscription rights, on the issuance of shares or any other securities giving access to the share capital of the Company, including through the allocation of free share warrants, to be subscribed in cash or by offset of debt, it being specified that said shares grant the same rights as previously issued shares subject to their dividend entitlement date (*date de jouissance*). Such issuance may be carried out once in full or in several installments, in the proportions and at the times it shall determine, both in France and outside of France. It is hereby further specified that the Executive Board will also have the option to sub-delegate all necessary powers to decide and implement the share capital increase to the Chairman of the Executive Board or, with the Chairman's approval, to one or more of its members, under the conditions set forth by law;
2. Decides that any issuance of preferential shares and securities giving access to preferential shares is expressly excluded from such issuance;
3. Decides that the nominal amount of the share capital increases that could potentially be carried out immediately and/or in the future pursuant to this delegation cannot exceed an overall nominal amount of EUR1,183,691.55 (or, on the basis of the current nominal value of the Company's shares, equal to EUR0.05, a maximum amount of 23,673,831 shares), it being specified that this amount will be included in the overall nominal cap amount of EUR1,183,691.55 set forth in the thirty-first resolution of this Shareholders' meeting and that this overall nominal amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital;
4. Also delegates its authority to the Executive Board for the purpose of deciding on the issuance of securities that are debt securities giving access to share capital of the Company to be issued;
5. Decides that the overall nominal amount of securities representing debt securities giving access to the share capital of the Company to be issued, that could potentially be issued pursuant to this delegation will amount to a maximum of EUR150 million or to the exchange value of this amount in the event of an issuance carried out in a foreign currency or in any currency unit set through reference to a number of currencies;
6. Decides that the shareholders will have the option of exercising their preferential subscription right with respect to the amount they are irrevocably entitled to, under the conditions set forth by law. In addition, the Executive Board will have the option of granting shareholders the right to subscribe, subject to a reduction, a number of securities that is higher than the amount they are irrevocably entitled to, in proportion to the subscription rights they hold and, in all cases, up to the limit of the amount they request. If the subscriptions made as an irrevocable right and, as the case may be, the subscriptions subject to a reduction, have not exhausted the total amount of an issuance of securities, the Executive Board can decide to:
 - limit the amount of the capital increase to the amount subscribed, provided it reaches at least three quarters of the increase decided;
 - decide to freely allot all or part of the unsubscribed shares or securities,
 - offer all or part of the unsubscribed shares or securities to the public.

7. Decides that, regarding the preferential subscription right attached to treasury shares, the Executive Board will be able to decide not to take into account such shares to determine the preferential subscription right attached to the other shares, to allocate the preferential subscription right attached to treasury shares between the shareholders pro-rata to their rights, or to sell them on the market;

8. Acknowledges that, for the benefit of holders of securities issued pursuant to this resolution and giving access to the share capital of the Company, this delegation of authority automatically implies the shareholders' renunciation to their preferential subscription right to shares that these securities grant rights over immediately or in the future;

9. Decides that the amount paid or that should be paid to the company for each of the shares issued pursuant to this delegation will be at least equal to the nominal value of the share on the issuance date of said shares;

10. Decides that prior to using this delegation of authority, the Executive Board must submit the principle of its use to the Supervisory Board; it being specified that in the case the size of the capital increase presented to the Supervisory Board by the Executive Board represent, alone or together with the capital increases realized pursuant to this resolution and the twenty-fourth, twenty-fifth, twenty-seventh, twenty-eighth, twenty-ninth and thirtieth resolutions of this Shareholders' meeting, prior or simultaneous with the said capital increase, more than two-thirds of the overall nominal amount provided under the thirty-first resolution, the Supervisory Board shall decide by a majority of two-thirds of its members;

11. Decides that the Executive Board cannot, unless authorized in advance by the Shareholders' meeting, make use of this authorization during a public offering initiated by a third party targeting the securities of the Company until the end of the offering period;

12. Acknowledges that this delegation voids, from this day, as the case may be, any unused part of any prior delegation of authority having the same purpose, i.e., any delegation relating to a share capital increase with shareholders' preferential subscription rights, covering the shares and securities referred to in this resolution. This delegation therefore voids the delegation granted by the Shareholders' meeting held on 22 May 2019 pursuant to its twenty-seventh resolution; and

13. Acknowledges that, in the event of the use by the Executive Board of the delegation of authority granted by this resolution, the Executive Board shall report to the following ordinary Shareholders' meeting, in accordance with applicable laws and regulations, on the use made of the delegation of authority granted by this resolution.

The delegation of authority thus granted to the Executive Board is valid for a term of twenty-six (26) months as from the date of this Shareholders' meeting.

Resolution n° 24 – Delegation of authority to the Executive Board for the purpose of issuing ordinary Company shares and/or of securities giving access to the share capital of the Company, without shareholders' preferential subscription rights, through a public offering

The Shareholders' meeting, acting under the conditions of quorum and majority required for Extraordinary Shareholders' meetings, after having deliberated and reviewed the report of the Executive Board and the special report of the Statutory Auditors, and pursuant to the provisions of articles L.225-129 to L.225-129-6, L.225-135, L.225-136 and L.228-91 *et seq.* of the French Commercial Code:

1. Delegates its authority to the Executive Board to decide, without shareholders' preferential subscription rights, on the issuance of shares or any other securities giving access to the share capital of the Company, to be subscribed in cash or by offset of debt, it being specified that said shares grant the same rights as previously issued shares subject to their dividend entitlement date (*date de jouissance*). Such issuance is to be carried out through a public offering, once in full or in several installments, at the time or times set by the Executive Board and in the proportions it shall determine, both in France and outside of France. It is hereby further specified that the Executive Board will also have the option to sub-delegate all necessary powers to decide and implement the share capital increase to the Chairman of the Executive Board or, with the Chairman's approval, to one or more of its members, under the conditions set forth by law;

2. Decides that any issuance of preferential shares and securities giving access to preferential shares is expressly excluded from such issuance;
3. Decides that the nominal amount of the share capital increases that could potentially be carried out immediately or in the future pursuant to this delegation cannot exceed an overall nominal amount of EUR1,183,691.55 (or, on the basis of the current nominal value of the Company's shares, equal to EUR0.05, a maximum amount of 23,673,831 shares), it being specified that this amount will be included in the overall nominal cap amount of EUR1,183,691.55 set forth in the thirty-first resolution of this Shareholders' meeting and that this overall nominal amount does not take into account any adjustments that may potentially be carried out in accordance with applicable legal and regulatory provisions and, as the case may be, with contractual stipulations providing for other cases of adjustment, in order to preserve the rights of holders of securities or other rights giving access to the share capital;
4. Also delegates its authority to the Executive Board for the purpose of deciding on the issuance of securities that are debt securities giving access to share capital of the Company to be issued;
5. Decides that the overall nominal amount of securities representing debt securities giving access to the share capital of the Company to be issued, that could potentially be issued pursuant to this delegation will amount to a maximum of EUR150 million or to the exchange value of this amount in the event of an issuance carried out in a foreign currency or in any currency unit set through reference to a number of currencies;
6. Decides to suppress the preferential subscription right of shareholders to the securities to be issued pursuant to this delegation. The Executive Board will have the option to grant shareholders a priority subscription period bearing on all or part of the issuance of these securities, for an amount they are irrevocably entitled to and, possibly, subject to reduction, for duration and under conditions it shall determine, in accordance with the provisions of paragraph 5 of Article L.225-135 of the French Commercial Code. This priority period shall not give rise to the creation of marketable entitlements and shall be exercised in proportion to the number of shares owned by each shareholder and may potentially be supplemented by a subscription subject to reduction;
7. Acknowledges that if the subscriptions have not absorbed all of the issuance of shares or securities giving access to the share capital, the Executive Board may limit the amount of the transaction to the amount of the subscriptions received;
8. Acknowledges that, for the benefit of holders of securities issued pursuant to this resolution and giving access to the share capital of the Company, this delegation of authority automatically implies the shareholders' renunciation to their preferential subscription right to shares that these securities grant rights over immediately or in the future;
9. Decides that the issuance price of the shares issued pursuant to this delegation will be at least equal to the minimum value set forth by law and applicable regulations at the time this delegation is used, which currently corresponds to the weighted average of the price of the share during the last three stock market trading days prior to the launch of the public offering (within the meaning of Regulation (EU) 2017/1129) of the shares issued pursuant to this delegation, minus as the case may be a maximum discount of 10% of this amount after any applicable corrections in order to account for the difference in dividend entitlement date (*date de jouissance*) if any;
10. Decides that the issue price of the securities giving access to the share capital will be such that the amount received immediately by the Company, increased, as applicable, by the amount to be received in the future for each share issued as a result of the issue of these securities, is at least equal to the minimum issuance price defined in the preceding paragraph;
11. Decides that prior to using this delegation of authority, the Executive Board must submit the principle of its use to the Supervisory Board; it being specified that in the case the size of the capital increase presented to the Supervisory Board by the Executive Board represent, alone or together with the capital increases realized pursuant to this resolution and the twenty-third, twenty-fifth, twenty-seventh, twenty-eighth, twenty-ninth and thirtieth resolutions of this Shareholders' meeting, prior or simultaneous with the said capital increase, more

than two-thirds of the overall nominal amount provided under the thirty-first resolution, the Supervisory Board shall decide by a majority of two-thirds of its members;

12. Decides that the Executive Board cannot, unless authorized in advance by the Shareholders' meeting, make use of this authorization during a public offering initiated by a third party targeting the securities of the Company until the end of the offering period;

13. Acknowledges that this delegation voids, from this day, as the case may be, any unused part of any prior delegation of authority having the same purpose, i.e., any delegation of authority relating to a share capital increase without shareholders' preferential subscription rights, covering the shares and securities referred to in this resolution. This delegation therefore voids the delegation granted by the Shareholders' meeting held on 22 May 2019 pursuant to its twenty-eighth resolution; and

14. Acknowledges that, in the event of the use by the Executive Board of the delegation of authority granted by this resolution, the Executive Board shall report to the following ordinary Shareholders' meeting, in accordance with applicable laws and regulations, on the use made of the delegation of authority granted by this resolution.

The delegation of authority thus granted to the Executive Board is valid for a term of twenty-six (26) months as from the date of this Shareholders' meeting.

4. Decides that, issuance of capital securities carried out pursuant to this delegation will not, in any event, exceed the limits set out by the applicable regulations on the issue date, i.e. 20% per annum at the time of the issuance (it being specified that this 20% limit shall be assessed at any time and shall apply to the share capital as adjusted

2. Specifies that the five stock market trading days above are those that will immediately precede the determination of the issuance price of the ordinary shares, such determination to take place at the close of the period during which investors are placing firm or indicative subscription orders (such period being the bookbuilding period) and therefore to reflect the price of such orders;

This delegation therefore voids the delegation granted by the Shareholders' meeting held on 22 May 2019 pursuant to its thirty-first resolution; and

13. The Shareholders' meeting, acting under the conditions of quorum and majority required for Extraordinary Shareholders' meetings, after having deliberated and reviewed the report of the Executive Board and the special report of the Statutory Auditors, within the framework of the provisions of articles L.3332-18 *et seq.* of the French Labor Code and of Article L.225-138-1 of the French Commercial Code and in accordance with the provisions of Article L.225-129-6 of that same Code:

Resolution n° 33 – Delegation of power granted to the Executive Board for the purpose of cancelling all or part of the treasury shares of the Company, acquired pursuant to the authorization to repurchase shares

The Shareholders' meeting, acting under the conditions of quorum and majority required for Extraordinary Shareholders' meetings, having reviewed the report of the Executive Board and the special report of the Statutory Auditors, subject to the adoption of the authorization allowing the Company to repurchase its own shares as detailed in the eighteenth resolution above, authorizes the Executive Board, pursuant to the provisions of Articles L.225-209 *et seq.* of the French Commercial Code, to cancel, in the proportions and at the times it shall determine, once in full or in several installments, all or part of the Company's shares that the Company holds pursuant to the authorization granted to the Executive Board to repurchase the Company's shares, and to reduce the share capital by the overall nominal amount of the shares thus cancelled, within the limit of 10% of the share capital over a period of twenty-four (24) months; it being reminded that this 10% limit applies to the Company's share capital, which may, if applicable, be adjusted according to transactions affecting the share capital that may occur subsequent to this Shareholders' meeting.

The Shareholders' meeting grants full power to the Executive Board, with the power to sub-delegate under the conditions set forth by law, for the purpose of proceeding with said capital reduction, acknowledging its successful completion, adding the difference between the cancelled share repurchase price and their par value to all items relating to reserves or premiums, carrying out the corresponding amendments to the by-laws, as well as making any declarations to the *Autorité des Marchés Financiers*, complete any other formalities and, generally speaking, take any necessary action.

This authorization is granted for a term of eighteen (18) months as from the date of this Shareholders' meeting. It voids, as from this day, as the case may be, any unused part of any prior delegation of authority granted to the Executive Board, having the same purpose, i.e., any delegation relating to the reducing of the share capital by cancellation of treasury shares. This delegation therefore voids the delegation granted by the Shareholders' meeting held on 22 May 2019 pursuant to its thirty-seventh resolution.
